

## Who We Are...

Clinical Counseling Associates is a private mental health counseling and psychotherapy practice with offices in Liberty and Overland Park. Clinical Counseling Associates has been serving the Kansas City Metro Area since 1991. The practice provides a variety of services for individuals, children, adolescents, adults, couples, and families.

Each therapist offers a unique perspective and effective approaches in order to assist clients in finding their own path. After careful assessment, we collaborate with clients to guide and support them through challenging circumstances by creating a safe and confidential environment for developing solutions.
